This Notice is Jointly Published as

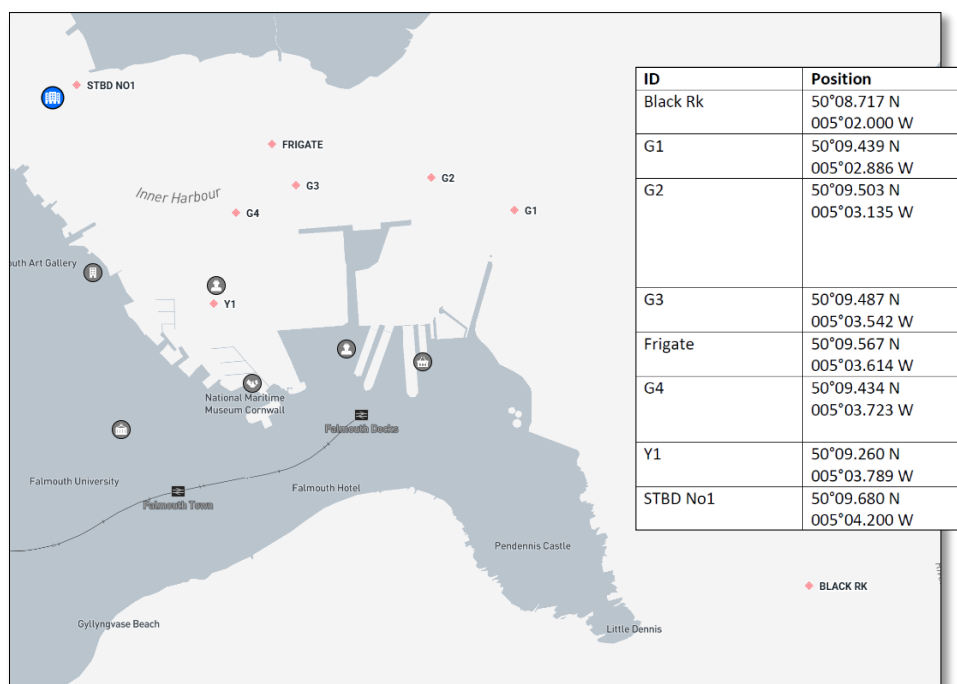

Falmouth Notice to Mariners No. 11 of 2025

A & P Notice to Mariners No. 4 or 2025

VIRTUAL AIS BEACON

Notice is hereby given that Virtual AIS Aid to Navigation beacons have been installed in the Port of Falmouth. This is a physical beacon that transmits multiple AIS targets, visible on publicly available AIS websites. The purpose of the targets is to assist Masters and Pilots in the safe navigation of commercial vessels, barges and tows in the Port of Falmouth.

This notice will be considered routine common knowledge and practice and will therefore not be renewed from 1st January 2026.
